## HATCHETMEN LOSE TO DELAWARE TEAM

Intercepted Aerial Heave Is Turned Into Touchdown Near End Of Game

### DELAWARE MAN INJURED

Dean Wagner And Loehler Star In Game Played In Rain And Snow

Snow, mud, and Delaware proved too great an obstacle for the Hatchetmen to overcome in their battle at Newark last Saturday, and the University of Delaware won, 6 to 0. Gibson, speedy Delaware halfback, intercepted a forward pass in the last minutes of play and raced 35 yards for the only score of the game.

Playing in a blinding snowstorm before a scant crowd of 500 spectators, the Crumites went down to defeat in the last few minutes of play. The Delaware team, forced on the defense by the superior attack of the Buff and Blue team, fought desperately to stem the tide of the invaders, and their vigilance was rewarded only by an uncovered pass that gave them the margin of victory.

The brilliant broken-field running of Dean Wagner and the line plunging and punting of Loehler featured the contest for George Washington. Kris put up a splendid game in the line. Logan, who has but recently returned to the G. W. line-up, played a fine game at end.

Kramer, star center for the Newark team, broke through the Hatchet line and smeared many plays. The playing of "Soap" Hubert, Delaware fullback, was spectacular, and he was called on for most of the backfield work. Jackson, quarterback, broke his arm when tackled early in the first quarter. It will be remembered that Leby, of G. W., broke his leg in the game with Delaware last year.

George Washington kicked off to the Blue and Gold team, and Delaware, by brilliant line plunging and aided by two completed forward passes, took the ball to G. W.'s 15-yard line. There they encountered a stone-wall defense and lost the ball on downs. The game then saw-sawed up and down the field, with frequent exchange of punts. Because of the condition of the ball none of the punts were very long, but Loehler had a big edge over Hubert in this department. Most of the playing was in midfield during the remainder of the half, with the edge slightly in favor of the Delaware team.

Coming back after the half, a much more determined team faced the Delaware gridders and immediately forced them on the defense. Dean Wagner caught the Delaware kickoff on the 15-yard line, and by brilliant broken-field running carried it back 50 yards to Delaware's 35-yard line. Here G. W. made her first determined bid for honors. Line plunging carried the ball to the Delaware 8-yard line, with Loehler ripping off long gains through tackle. The Delaware team braced and the ball was lost on downs. A beautiful end run by Wagner again put the team in position to score, and line plunging took the ball to the Delaware team's 2-yard line. Here an end run was called for, necessitating a long pass from center. The ball came back and slipped from John Loehler's hands. He recovered it, but lost 8 yards and the chance to score. G. W. then let loose a perfect torrent of forward passes, trying (Continued on page 3)

## PLANS COMPLETE FOR INTERFRATERNITY SMOKER

Final arrangements for the Interfraternity smoker to be held in the new gymnasium on Friday evening, November 21, were made at the Interfraternity Council meeting held at the Phi Sigma Kappa House last Sunday morning.

The Interfraternity smoker is an annual affair staged by the Interfraternity Council with the idea of getting members of the various Greek letter organizations better acquainted with each other. Besides the "smokes" there will be plenty of eats, music and several speakers on the program for the evening.

The smoker is also being held just prior to the Thanksgiving game with Catholic University with the idea of creating as much enthusiasm before the game as possible.

### "PEP" MEETING

A mass meeting will be held in the assembly room of Corcoran Hall Wednesday evening, November 26, at 8 o'clock, to organize a cheering section for the Catholic University game. Besides speeches by President Lewis, Coach Crum, Professor Hall, Capt. Guy Hottel and others, "Pep" Balter will lead in the practice of G. W. yells and songs. Everybody out!!

## SECOND ESSAY CONTEST ANNOUNCED BY CHEMISTS

American Chemical Society Offers Handsome Prizes For Best Theses

The American Chemical Society, for the second time in as many years, is conducting a prize essay contest for high and secondary school students and for University and college students. Its object is to direct attention to some of the important relations of chemistry, to encourage the acquirement of familiarity with reference books and other authoritative information, to promote expression of thought and the formulation of ideas. Contestants and those interested with them may gain much information about the applications of chemistry without the actual study of the science.

The prize essay contest seeks students of exceptional talent and rewards the winners very handsomely. All undergraduate students of colleges and universities who write the best essays in accordance with the rules are eligible.

Essays must be confined to one of the following subjects:

1. The Relation of Chemistry to Health and Disease.
2. The Relation of Chemistry to the Enrichment of Life.
3. The Relation of Chemistry to Agriculture or Forestry.
4. The Relation of Chemistry to National Defense.
5. The Relation of Chemistry to the Home.
6. The Relation of Chemistry to the Development of an Industry or Resources of the United States.

All essays must be in the hands of the secretary of the Committee on Prize Essays of the American Chemical Society, 85 Beaver Street, New York City, not later than March 1, 1925.

Anyone wishing to obtain further information relative to this contest should apply to Prof. H. C. McNeil at the Medical School.

## URBAN UNIVERSITIES ELECT LEWIS PRESIDENT

President William Mather Lewis was elected to the presidency of the Association of Urban Universities at the annual meeting held at the University of Akron, Akron, Ohio, November 13 and 14.

This organization, comprising 32 universities and colleges scattered throughout the country, is concerned primarily with the problems and interests of institutions of higher education located in large centers.

Next year it is planned to hold the meeting at George Washington University.

President Lewis presented a paper before the association on "The Place of Physical Education and Athletics in an Urban University."

Prof. Elmer Louis Kayser also attended the meeting.

## K. A. PLEDGE INITIATED AT PROVINCE COUNCIL

Edward Hotchkiss, a student in the Law School and a pledge of Alpha Nu Chapter of Kappa Alpha, was initiated on Friday, November 14, by the James Ward Wood Province Council held at the University of Maryland. The Council, which met for two days to consider general fraternal matters of interest to the active chapters, was attended by delegates from the chapters located in Maryland, West Virginia, Delaware and the District.

### Gives Harp Solos

Miss Katherine Riggs gave a program of harp solos at the assembly Monday noon, November 10. On Wednesday, November 12, Dr. George William Wright, of the Philippine Islands, spoke on conditions in the Philippines.

## NEW LAW BUILDING BEING CONSTRUCTED

New Law Structure On 20th Street Will Accommodate 1300 Students

### TO BE OPENED NEXT FALL

Second Unit In The Greater G. W. Will Fill Need For Better Building

Old buildings have been demolished and excavation is nearly completed on the site where the new George Washington University Law School building will be erected. The new building, which is the second unit in the system of university buildings which will surround the entire block at 20th, 21st, G and H Streets, will be completed and ready for occupancy at the opening of the next school year.

The Law School building will be approximately the same size and of the same general construction as Corcoran Hall. The building will occupy that portion of the block just south of H Street with the main entrance facing 20th Street. The rear entrance will open upon the open court across from Corcoran Hall.

The new building, when completed, will accommodate approximately 1,300 students at one time. The basement, besides furnace rooms and janitor's quarters, will contain a moot court room, a large men's lounge room, locker rooms and toilets.

The offices of the Dean, Secretary and the general offices occupy considerable space on the first floor. In addition to the offices the first floor will be equipped with one small lecture room and a large lecture room which will accommodate about 400 students. Also a faculty room will be furnished on the first floor.

Three large lecture rooms, accommodating about 150 students in each, a large women's rest room and toilet will occupy the second floor. The third floor will be equipped particularly for third year classes. Provision has been made for three large moot court rooms which can also be used as lecture rooms. The clerk of the moot court will also have an office on the third floor, which will be open at all times. In addition to these smaller rooms, there will be one large class room on the third floor which will accommodate 210 students.

The Law School Library will occupy the entire fourth floor. One large reading room to occupy nearly half the top floor will accommodate 150 students at one time. In addition to this there will be eight faculty study rooms, and shelf space enough to take care of a library of 40,000 volumes.

With the completion of Corcoran Hall all the available force will be devoted to the construction of the new law building. However, it will probably not be ready for occupancy before the end of the present school year.

## MITCHELL TO ADDRESS ENGINEERING SOCIETY

Nolan D. Mitchell, an engineer in the Fire Resistance Division of the Bureau of Standards, will address the Engineering Society on the subject, "Fire Resisting Building Construction." The meeting will be held in Corcoran Hall, Wednesday, November 19, at 8 P. M.

Fire hazards have a marked influence on building construction, and a general knowledge of fundamentals involved is of invaluable use to any engineer. It is therefore expected that a large number will be present and the spirit of fellowship, developed at the initial smoker of the society, will be even more pronounced.

An electrical Engineering vice-president and a chemical engineering vice-president will be elected at the meeting to fill existing vacancies.

### DANCE TONIGHT IN GYM

According to the advance sale of tickets to the informal dance which is being given tonight in the new gymnasium by Pi Delta Epsilon, men's honorary journalistic fraternity, and Gamma Eta Zeta, women's honorary journalistic fraternity, the student body is expecting to turn out in full force for the first social event to be given in the new building.

With Hal Stutz's Southern Syncopators on the job, there is an excellent indication of a most successful event.

### SENIORS MUST REGISTER

Will all Seniors who are candidates for graduation at either the February or June convocations make the fact known to the Registrar at the earliest possible moment?

It is urgent that all applications for graduation be filed at once.

## DEBATERS SEE NEED OF EDUCATION DEPARTMENT

Negative Side Loses By Contending That Present System Is Adequate.

"Resolved, That Congress should establish a Department of Education, with a Secretary in the Cabinet," was the question before the Columbian Debating Society at their weekly meeting, Friday, November 14. The verdict of the judges was unanimously in favor of the negative, Lewis Wallace receiving first honors.

The affirmative stressed the need for a Department of Education, pointing to the high percentage of illiteracy in this country. They held that standardization in education was needed rather than standardization of education, and that the proposed legislation would give uniformity of educational advantages to all. The negative contended that the present system is adequate, that no benefit would accrue from the proposed department, and that centralized control would actually prove detrimental.

Those upholding the affirmative were Meador Wright, Roy T. Darby, and David Mazon, while the negative was made up of Lewis Wallace, Wroe Alderson and Sherman Johnson. Lowell Baggett, George Crane and George Hodgkins served as judges.

Preceding the debate Prof. Gilbert Hall, Chairman of the Debating Council, gave a talk to the society, emphasizing the importance of debating, and urging that more students from Columbian College attend the meetings of the club.

George Hodgkins, son of Dean Hodgkins, and Milton Edelson were elected to membership.

## SECOND YEAR MEDICS TO HOLD FIRST MIXER

Medical Sophomores will step lively next Saturday night when they will leave the cares of strenuous study behind them and dance to the syncopations of Sokolov's Orchestra. According to "Alec" Preece, chairman of the committee on arrangements, all preparations for the affair have been completed to make the evening even more enjoyable than that of the first mixer given by them last year as Freshmen.

The dance will be held in the assembly room of Corcoran Hall. Refreshments will be served by the University Cafeteria.

Representatives of the other classes of the Medical School will attend and invitations have been extended to Dean William C. Borden and the Faculty of the Medical School as well as to President and Mrs. William Mather Lewis.

## PLAYERS' PRESENTATION IS A MARKED SUCCESS

The first presentation of one-act plays by the G. W. Players on November 5 was attended by the majority of the organization. Exceptional talent was evident in the portrayal of some of the roles. Murray Flack as "Peter," and Marion Campbell as "Grandma," were highly commended on the rendition of these two rather difficult character roles.

As the Players meet but once a month it has been deemed advisable to call a special business meeting for next Wednesday, November 19. The meeting will be held in Building 4, Room 27, at 8 o'clock. All members of the Players are urged to attend.

### CLUB HOLDS BANQUET

President Reed Vetterli, of the Utah Legal Club, outlined the plans for the ensuing year at the Fourth Anniversary Banquet held at the Garden Tea House, November 12. Professors Collier and Arnold were guests of honor. Professor Collier spoke on "Materialism and Religion."

See Announcement of the Washington School for Secretaries on Page 2

## TO CLOSE SEASON WITH FOOTBALL HOP

Letter Clubs And Pyramid Honor Society Planning Dance In Honor Of Team

### DATE SET FOR DECEMBER 5

Committees Also Plan "Pep" Rallies To Arouse Enthusiasm For Turkey Day Game

A dance in honor of the football men to take the place of the Football Hop of former years, to be held in the new gymnasium, Friday, December 5, and the appointment of a committee to cooperate with a committee from the Pyramid Honor Society to arouse enthusiasm and develop a strong cheering section for the Catholic University-George Washington University football game Thanksgiving Day were among the important matters taken up by the G. W. Club at a meeting Thursday evening.

The Women's G. W. Club is to cooperate with the Men's G. W. Club in giving the football dance and committees from these organizations, with H. Clay Espey, manager of last year's Rifle Team, as chairman, and Daisy Robson and H. A. Tolson, presidents of the Letter Clubs, as ex officio members, will have active charge. A real dance is planned, at which it is contemplated speeches will be made by President Lewis, Coach Crum, Captain Hottel, and outstanding stars of the football team, and letter and certificates and sweaters award to this year's letter men. Money taken in at this dance, after deducting expenses and a small sum for the Inter-Class Track and Field Meet, will be turned over by the Letter Clubs to the General Athletic Fund of the University.

Plans for a big "Pep" meeting prior to the Thanksgiving game with Catholic University are being worked out by the Pyramid Honor Society and the G. W. Club committees in conjunction with Coach Crum and "Pep" Balter, at which time new yells will be practiced and every student urged to attend the game.

Representatives of these committees will be on hand also at the Interfraternity Smoker to be held in the gymnasium, November 21. It is felt by the members of these organizations that proper support by the students will be an important factor in maintaining the fighting spirit of the football team to the point necessary to win from Catholic University on Turkey Day.

## WORLD WAR VETERANS HONORED AT ASSEMBLY

George Washington University paid tribute to its heroes of the World War at the assembly Monday afternoon, November 10. In speaking of the meaning of Armistice Day, President Lewis said: "Tomorrow throughout the world will be celebrated one of the most important events in history. It is the anniversary of Armistice Day, on which occasion was brought to a close the World War. It is indeed fitting that George Washington University should take cognizance of this occasion; for out of this institution went hundreds of men to lay their lives upon the altar of a nation's need. A coast artillery company of the National Guard was entirely recruited in George Washington University, and out of that organization later went many men as commissioned officers to lead on the field of battle.

"Those who pause tomorrow to pay tribute to our brave soldiers are not glorifying war. They are glorifying the heroism and the unselfish patriotism of those who were willing to lay down their lives that the nation might live. George Washington University pauses with them to pay tribute to the men of the University who went out, some of them never to return."

### MUSICAL COMEDY PLANNED

An opportunity is being offered for those interested in musical comedy to show their talent in this line in a new production to be brought out under University auspices. Those in charge of the new activity in the line of dramatics desire all students of the University who can sing, dance, write music, lyrics and sketches to communicate with E. M. Everett, North 9029. Experience in any of these lines is not considered necessary, but interest and willingness to work are essential.

### WILL IT HELP US WIN?

A mass meeting will be held in Corcoran Hall, Wednesday, November 26, 8 p. m., to organize a cheering section for George Washington rooters at the Catholic University game on Thanksgiving Day.

President Lewis, Coach Crum, Professor Hall and Guy Hottel will speak, while "Pep" Balter will be on deck to practice a few yells and songs with the crowd.

Every organization in the University is urged to have their members attend in a body, as it will be the only opportunity the students will have to get together before the game.

There must be "pep"—more "pep"—organized "pep." And "pep" means support of the team by attendance and cheering at the games, organized, voluminous cheering.

Wednesday, November 26, 8 p. m., Corcoran Hall. President Lewis, Coach Crum, Professor Hall, Guy Hottel will speak. Yells and songs will be practiced for the G. W.-C. U. game on Thanksgiving. Every student is urged to attend.

To go on as we have gone on before is but inviting defeat. To say that we cannot win is to say we are not willing to try. We are not devoid of substance that breathes of college life. We do not question spirit, we invite it.

There is a better way, a more logical way, to prove our loyalty than by shedding tears over defeat and shouting praises after victory.

Let us learn from our own team. To them the obstacles are many, at times they seem insuperable, frequently they are discouraging. Yet the team presses on with the invincible spirit of George Washington, their eyes seeing not the obstacles but the goal, none the less glorious because of distance.

George Washington teams have met the test, wonderfully, superbly, on the gridiron. They have proved their mettle and spirit. It is not enough, however, that our team prove so true in competition.

The student body must prove true, equally true, in the more prosaic yet equally difficult task of cheering.

With memories of the past and thoughts of the future to inspire us we must be content with no other solution than a right and just solution of the question that perplexes us—we will support our team! Thus,

and thus only, can we help perpetuate the glory of our University and recompense the teams which represent us.

### DO FIGURES LIE?

If the old adage, "Figures don't lie," were true, then the George Washington University football team could defeat Harvard by two touchdowns.

This is the way it stacks up: George Washington defeated Western Maryland 18 to 0. Western Maryland defeated Catholic University, 13 to 7. Holy Cross defeated the Brooklanders by the same score early in the season, thus making Western Maryland and Holy Cross even on "dope," and giving George Washington an 18-point margin over Holy Cross. Harvard defeated Holy Cross 12 to 6, in their hardest game of the season.

This gives G. W. a 12-point margin over Harvard. Of course the Crimson eleven might go into the game a little overconfident, and Loehler, Lamar, Newby, or one of the other star G. W. backfield men might become a second "Red" Grange in the first few minutes of the game, and hang a good "goose egg" on the Cambridge school.

By the same figures George Washington is doped to win over Catholic University Turkey Day, 23 to 0.

But do figures lie? Well, take a look at this one and then give us your answer.

Last fall Oklahoma University was defeated by Missouri University 14 to 7. Oklahoma University beat Washington University 81 to 0. Then Washington University came up to Columbia, Mo., to furnish meat for the blood-thirsty Tigers.

Fresh from their victory over Oklahoma, they were expected to make the team from St. Louis look like telegraph poles do along the right of way of the New York Central's Twentieth Century Limited. When the last Tiger had limped off the field the score was Missouri 0, Washington University 14.

Now, laugh that off! And when you get through, tell us that figures don't lie.

### LAW FACULTY LUNCHEON

The Law School faculty has instituted the practice of holding a luncheon once each month for members of the faculty. The first luncheon, held at the Cosmos Club last Tuesday, was attended by eighteen faculty members and President Lewis.

### WILL ATTEND CONVENTION

Robert Billheimer and John Diggins are leaving for Detroit, where they will attend the National Convention of the Phi Sigma Kappa fraternity, which is being held in the Hotel Statler from the 20th to the 22nd inclusive.

### EXCHANGES

Oil wells recently found on the campus of the University of Texas will yield that school a royalty of from \$250,000 to \$500,000. The money will go into permanent endowment fund of the University, and the interest will be used for the construction of new buildings.

A women's rowing crew is being developed by the Reed College of Portland, Oregon. Twenty-five women turn out regularly for practice.

The largest faculty in an American College is found at the University of Minnesota. The faculty now numbers 1,250.

All students in the Department of Journalism at the University of North Dakota are required to correspond with weekly newspapers of the vicinity and send them news items, as their practice work in the course.

Swarthmore College has revised the system of faculty tenures by abolishing annual appointments and substituting terms for professors and proportionately long contracts for assistant professors and instructors.

At McGill University opportunity is given eager Freshmen and upper classmen to get acquainted at their annual Conversat. The Conversat is like an informal dance, each number lasting about ten minutes, with conversation instead of dancing.

## DOWD ELECTED CAPTAIN AT BASKETBALL MEETING

Coach Daly Expects Sixty Out For Practice Which Starts This Week

"Mike" Dowd, stellar guard of last year's basketball team, was elected captain for the ensuing campaign at the basketball meeting held last Thursday evening in Corcoran Hall. After thanking those present for the honor bestowed upon him, Captain Dowd gave a short talk, stressing the importance of every man on the squad doing his share of the work.

With about 35 men present at the meeting, John R. Daly, who will coach the basketball squad again this year, declared himself well pleased with the prospects for the coming season. In addition to those out last Thursday, there will be a number of good men available as soon as the football season is over. It is expected that with other late arrivals the squad will be increased to sixty. This number, or as many of them as stay out, will be carried until about December 15, when the first cuts in the squad will be made.

Coach Daly spoke to the men about the work that will be expected of them, especially warning them against smoking. He said that if a man could keep up the pace set and still smoke, then he would be allowed to smoke.

Each man will be provided with a book of rules of the game, and a skull drill on the rules will be held this week at the first practice in the new gymnasium. Practice will be held two nights this week, four nights next week, and after that the squad will settle down to real work.

The present schedule calls for 16 games, all but three of which will be played at home. The George Washington team will meet Georgetown, Maryland and Catholic University on their home floors.

### WOMEN'S TOURNAMENT IS NEARING FINALS

The tennis matches to be played on the University courts to decide the women's championship of George Washington University are being played according to schedule and with the final sets almost in sight. Competition is keener than ever. The finals promise to be full of excitement and interest.

To date there are six girls still undefeated in the tournament. These players will play off their matches this week, the last of which must be played by November 21. The girls who play in these sets are Frances Walker, Helen Hastings, Edith Petrie, Ivy Wymore, Cecyle Taylor and Elizabeth Chickering.

### ADD TWO CHEER LEADERS

Two new cheer leaders, Paul Frisby, former yell leader at Western High, and Roger Staley, formerly of Tech High, will help "Pep" Balter lead the cheering section at the Turkey Day game at Catholic University.

### ERNEST-SPRINGSTON WEDDING

A wedding of unusual interest to George Washington students took place last Wednesday evening when Miss Elizabeth Ernest, daughter of Prof. and Mrs. John Paul Ernest, became the bride of George Baillie Springston, son of Mr. and Mrs. H. C. Springston, of Chicago, at St. John's Episcopal Church.

Miss Ernest, who received her A. B. from George Washington in 1922, was active in student activities. She was a member of the Student Council, and served as its vice-president during 1921-22. She was also a member of the Cherry Tree staff during the same year, is a member of the Sphinx Honor Society and of Pi Beta Phi Sorority.

Mr. Springston, a native of Illinois, came to George Washington after having completed three years of work at the University of Illinois and took his A. B. here in 1921. He played on the varsity football team, basketball team and baseball team, is a member of the G. W. Club and of Kappa Sigma Fraternity.

The wedding ceremony was attended by a large number of George Washington students and faculty members.

Phi Alpha Chapter of Chi Omega will entertain a large number of alumnae and guests at a formal banquet and dance at the Columbia Country Club this evening. The fraternity colors of cardinal and straw will be cleverly carried out in the table decorations.

Members of Alpha Delta Pi and other guests were entertained by Miss Katherine Brake at a bridge-tea at her home in Chevy Chase last Saturday afternoon.

Delta Zeta entertained a large number of guests at a dinner party at the home of Miss Edith Finney last Tuesday. The fraternity colors were

attractively carried out in the decorations and bridge, mah jongg and 500 were enjoyed following the dinner.

Miss Elsie Talbert was hostess to a number of guests at a luncheon and bridge at the Columbia Country Club last Saturday.

Miss Helen Periam entertained a company of 24 at a dinner-bridge on Saturday evening at the Women's University Club in honor of Miss Sarah Pick, who will sail for the Philippines on December 5.

Phi Sigma Sorority held a dinner at the Madrilion, Thursday, November 13, 1924. The evening was spent in singing G. W. songs and dancing.

Phi Mu Sorority was hostess at a bride-tea at the White Peacock last Saturday afternoon.

Sigma Kappa Sorority entertained at a formal dance last Friday at the Congressional Country Club.

No tea in old England was ever more enjoyable than that given by Dean Rose Wednesday afternoon for the women of the University. It was held in Miss Rose's office with Miss Evelyn Jones presiding at the tea table.

These teas are held on the first and third Wednesdays of each month, and are greatly enjoyed by the University women.

### ADDRESS CHEMISTS

Dr. C. A. Browne, head of the Bureau of Chemistry, spoke on the history of chemistry at the meeting of the G. W. Chemical Society last Wednesday evening at the Medical School, outlining the subject in a very interesting and comprehensive way. He exhibited many rare books and letters to the society as illustrations of his lecture.

A committee consisting of H. A. Lepper, J. N. Taylor and J. L. Moneyway was appointed to compile the past records of the society; and Marie O'Dea, Homer Winkler and Klaira Markley were appointed as a refreshments committee.

## STIFF GAME EXPECTED WITH LAKE SHORE TEAM

Team Which Entertains Hatchetmen  
Next Saturday Boasts Only  
One Victory

Buffalo University was trounced Saturday by Hobart, 13 to 7, but not until after the hardest kind of a fight. Rochester, Clarkson, Davis-Elkins, and Alfred have all run rough shod over the Blue and White team in games earlier in the season, and a 7 to 0 win over St. Lawrence gridders is all that the lake shore team can boast of to date. This makes them all the more determined to upset the dope and spring a surprise on the Hatchetmen when they appear on the Bison field for Saturday's game.

The up-state team has been steadily improving after a series of early reverses, and their stand against the strong Rochester and Hobart teams makes the outcome of next Saturday's game very uncertain.

Coach Crum's charges, fighting mad after two successive defeats, are determined to "hatchet" the "Buffalo" and add his skin to their string of trophies. The Crumites have not worked well since the Hopkins game, and have had a bad attack of staleness and overconfidence. This feeling should have entirely disappeared by Saturday and the men should be playing at the top of their form.

Besides Coach Crum, Dr. Borden, and Manager Stewart, 22 men will make the Buffalo trip. These men are to be picked this week.

## STRONG TEAMS FILL GIRLS' RIFLE SCHEDULE

With Best Of Facilities Prospects For  
Coming Year Seem Most  
Promising

With Katherine Edmonston again at the helm as captain and Sophia Waldman serving another term as manager of the Girls' Rifle Team, which for two years has earned major letters, practice will begin just as soon as the new range in Corcoran Hall is completed. With a team consisting of last year's letter winners, Adelaide Cotter and Elizabeth Owen, of high school shooting fame, an interesting schedule and the use of one of the finest indoor ranges in the East, George Washington may look forward to a repetition of last year's remarkable record. Walter Stokes, world-famed rifleman, will coach.

A movement is on foot to establish the girls' rifle team as a major sport on the grounds that they have earned by virtue of excellent performance the right to wear the letter for the last two years.

Heading a very attractive schedule for the year are matches with Australia and South Africa (Natal), the University of Michigan, the University of Vermont, Cornell, University of Illinois, the California Agricultural College, the University of Washington, winners of the National Amateur Rifle matches for women last year; Maryland State, and participation in the National Amateur rifle matches are on the card.

Several trips are contemplated by the team. Drexel of Philadelphia will shoot against the George Washington girls at Philadelphia. The Maryland State girls will shoot here as guests of George Washington. A return match is planned.

The first of this series will take place in January and the last match will be shot during the first part of April. At least one match a week and normally two will have to be shot to carry out the schedule.

All girls interested are urged to get in touch with the manager or captain of the team. Ample facilities will be at hand to take care of several hundred candidates. Five hours, three days a week, will be for the use of the girls.

## LYMAN CHOSEN PILOT OF AQUATIC SQUAD

Albert Lyman was elected captain of the men's swimming team of George Washington University by a majority vote at the regular practice of the team, November 10. Paul Peter, a former Central High School star, was the only opposing candidate.

Lyman is a Sophomore in Columbian College and an evening student. This is his first year of collegiate competition, but he is a letter man from Central High. While competing under the G. W. colors last summer, he won the South Atlantic A. A. U. fancy diving championship in the outdoor meet held at Baltimore. He is acting as manager for the team, and it was his activity in this line that caused his teammates to make him their leader for the coming season.

Workouts for the tank men have not been so strenuous for the past week as more attention is being paid to starts and turns, than to condition. Stover, a University of Iowa man, has been showing some nice form in the crawl, and should lead the way to the finish line in a number of meets this winter. Stansfield is showing the same form that has won for him the South Atlantic plunge championships a number of times, while he was at Central.

Samuel Tabbs has been appointed Assistant Business Manager.

The first meet of the season will probably be the one with Catholic University, January 31.

## HATCHETMEN LOSE TO DELAWARE TEAM

(Continued from page 1)

vainly to score. Just before the game ended Delaware got to one of the passes that G. W. failed to cover up and Gibson, who intercepted it, raced 35 yards through the snow for the lone score of the game. The try for extra point failed. The game ended soon after. The line-up follows:

G. Wash.	Position	Delaware
Logan	L. E.	Beatty
Resh	L. T.	(C) McKelvie
Hottel (Capt.)	L. G.	Owens
Clements	Center	Kramer
Haynes	R. G.	Reybold
Kris	R. T.	Torbert
Kenney	R. E.	Lohman
McLain, G.	Q. B.	Jackson
Wagner, D.	L. H.	Wooten
Long	R. H.	Weggenmann
Loehler	F. B.	Hubert

Score by periods:  
George Washington... 0 0 0 0—0  
Delaware... 0 0 0 6—6

Touchdown: Gibson. Substitutions: George Washington, Banville for Haynes, Goldman for Hottel, Zollar for Kenney, Levy for Long, V. Wagner for Clements, Lamar for McLain; Delaware, Cherpak for Jackson, Gibson for Wooten, McCaskey for Reybold, McKelvie for McCaskey, Pedrick for Owens. Referee: Mr. Gilbert (Williams). Umpire: Mr. Douthett (Urisinus). Head linesman: Mr. Schmidt (Bucknell). Time of quarters: 15 and 10 minutes.

## GAMES FOR MARINES CLOSED FOR MAY 16

The Quantico Marines is the first baseball team with which a game has been definitely scheduled by the new George Washington baseball organization. They will meet the service nine at Quantico on May 16.

Negotiations are being conducted with several colleges, and Manager Klein expects to announce the completed schedule within the near future. An unexpectedly large number of students have pledged their support to this new major activity, and the management are very optimistic about future prospects.

### Coupon Book Lost

Student activities coupon book No. 0603 was lost at the Cambridge debate. A duplicate coupon book has been issued to the owner and the lost book will not be accepted as admission into University activities until returned to office of the Secretary of Student Activities Committee.

### Activities Card Lost

Student activities card made out to Miss Sarah Donohoo has been lost. The finder is requested to return to Beatrice Woodford, Secretary to the Student Activities Committee, 2033 G Street.

### Lost And Found

Several lost articles have been turned in at the Cashier's office, including one overcoat, one rosary and several pairs of gloves. These articles will be returned upon identification.

## MEN'S TENNIS TOURNAMENT OPENS FOURTH ROUND

Several Undeclared Candidates Still  
Remain On Schedule; Some Win  
By Default

The tennis tournament of G. W. U. will swing into its fourth round of activity this week when the survivors of the previous rounds meet to decide who plays in the semi-final. Unusual interest is being centered on the fall matches this season as the ranking members at the conclusion of the tournament will have a splendid opportunity to make the University team next spring.

Dean Miller, faculty member in charge, is enthusiastic over the turnout for the inter-student competition and predicts a successful varsity season. Both Joseph Rutley, manager of varsity racquet wielders for the '25 season, and N. P. Langston, his assistant, are watching the participants for varsity material. From the matches contested at the University courts by novices many are expected to be in the fold when warm weather rolls around again.

The results of the third round show several close contests. Gould won from Conner in two close sets, 6-4 and 6-4. It took Noble three sets to emerge victorious over Hubbat, the first going to the former, 6-4; the second to Hubbat, 6-3, while the rubber went to the winner by a 7-5 count. The only other drawn out struggle was between Dugan and Freidman, the former coming back a winner after dropping the first fray, 4-6, 6-0 and 6-4.

In two straight games the following won: McDonnell beat Meyers, 6-1, 6-3; Prevost won from Randolph, 6-0, 6-1; Rutley blanked Kimberly twice, while Laurence beat Woodward, 6-1, 6-0; Frisby won from Worden, 6-4, 6-2; Milenky defeated Young, 6-1, 6-2; Caronal defeated Bixby twice by 6-3 scores. Baum and Blue won their matches by default. Those who just entered the tournament will play the winners of the final rounds.

## "PEP" MEETING PLANNED FOR CATHOLIC U. GAME

An organized cheering section and more cheering was the gist of a motion passed at the last meeting of the Pyramid Honor Society, held in the Alumni Room of the Law School, Sunday, November 9.

In order to promote spirited support of the University teams, the Society appointed a committee composed of Professor Hall, Henry James and G. Wilfrid Pryor to meet with a similar committee from the G. W. Club to formulate plans in organizing a cheering section at the G. W.-C. U. game.

The two committees will meet Tuesday evening, November 18, to prepare for the "Pep" meeting to be held in Corcoran Hall, Wednesday evening, November 26, prior to the Thanksgiving game.

## AWARD BEST DANCERS SILVER LOVING CUP

An elimination dance to select the best dancers at the County Fair last Saturday evening grew to the proportions of a marathon before the judges finally agreed on one couple.

Vivian O'Dwyre and Helen Staute-meyer were presented with a silver loving cup after being selected by the judges.

Professors Bolwell and Croissant and Dean Rose acted as judges of the elimination number.

### HOLD REGULAR PRACTICE

Regular practice for the girls' swimming team is being held every Thursday afternoon from 3:20 to 4. F. J. Brunner, who is coaching the team, is present during these periods, which are reserved for practice of the team.

The other four periods each week during which the girls' swimming squad may practice at the Y. W. C. A. pools are open to all girls who are interested in swimming.

### GYM CLASSES TO START

Beginning this week regular "gym" classes will be conducted in the new gymnasium by Mary Jackson, women's physical director, for girls who are interested in this kind of work.

Classes, which will be held every Monday, Wednesday and Friday at 11 in the morning and from 7:30 to 8:30 in the evening, will be open to all women of the University.

## PRACTICE SCHEDULE ARRANGED FOR RIFLE

Plans Are Also Under Way To Hold  
South Atlantic Matches On  
Home Range

At a recent meeting of captains, managers and coaches of the George Washington University rifle teams, plans for the coming season were discussed and plans made for the use of the new rifle range.

Walter Stokes, coach of the University's championship teams, made a detailed report on the progress of the new range in the basement of Corcoran Hall, and outlined plans for range practice. The range will probably be ready by December 1, and practice for both men's and women's teams will start immediately.

As planned, the range schedule will give the girls' squad five afternoons and two nights each week; the men's squad taking the remaining two afternoons and five nights. Plenty of practice time has been allowed in order that the unwieldy squads may be divided so special attention can be given to the most promising candidates.

One feature of the match schedule planned will be a shoulder to shoulder match to be held on the home range, if possible, to decide the South Atlantic championship title. All leading teams in the South Atlantic Association will be challenged.

The northeastern colleges are arranging for a similar match and the winner of this match will shoot against the South Atlantic division for the Eastern championship.

The George Washington team went undefeated in its indoor contests last season and prospects for a repetition this year are quite promising.

### Noted Educators To Speak

The week of November 17-23 will be observed throughout the country as American Education Week. During this week there will be addresses at the George Washington University assemblies by Dr. John J. Tigert, Commissioner of Education, and other noted educators.

## NEW GYM DEDICATED TO CLEAN ACTIVITIES

In Dedication Speech, President Commends Sportsmanship Of Football Team

### FACULTY MEMBERS SPEAK

Annual County Fair Following Dedication Attended By Unusual Crowd

"I dedicate this fine building tonight with the purpose of clean, honest athletics in this University, to the social life of the students, a wholesome, happy, simple, social life, and to all the uses of the students in their different activities." With these words, President Lewis dedicated the new gymnasium last Saturday night, and opened it officially to the University in its life of activities and social interests.

In the course of his short address to the student body and friends of the University, assembled to witness the completion of the work begun last year, Dr. Lewis mentioned the football team and its wonderful record this season. "I see members of the football team here," he said. "They have come back from their game today a defeated team. I want to say to them that we are just as proud of them tonight as we have ever been, and that means a good deal." He then went on to say that it was the sportsmanship of a team that counted and not the record of victories and defeats. "This University will never insist on victories. What we want is clean, fine athletics, and we have it in you."

The program of dedication was opened by a song by the Glee Club, who were followed by Stephen A. Kramer, principal of Central High School and alumnus of George Washington. Mr. Kramer brought greeting from the high schools, and congratulated the University on its attainment of a unifying influence in the new structure.

Prof. Gilbert Hall, president of the Alumni Association, spoke of the advantage the University was getting in giving a home to its homeless activities. "A building of this sort is the kind that builds school spirit and school spirit builds the school." He gave the University a word of warning. "We have Corcoran Hall, we have the new gymnasium, we are beginning the construction of a new Law School. With all this come to us in one year, we must not slump, but in the language of the war, we

must say to our President, "Where do we go from here?"

Fitting tribute to the unceasing efforts of President Lewis on behalf of George Washington University was made by Dr. Borden in the words, "He has done more than my fondest hope." Dean Van Vleck, as head of the Faculty Activity Committee, gave a brief sketch of its history, and pointed to the present status of activities as evidence of its success.

One of the features of the evening was the presentation by Marguerite Daly of cups to the members of the football team. Glittering tin cups of all sizes and varieties were distributed, the biggest and brightest of all going to Guy Hottel, who has led the team through its very successful season.

Following the ceremony of dedication, the annual County Fair of the Y. W. C. A. was held. Gayly decorated booths in all the colors of the different sororities held refreshments and amusements in an inexhaustible variety. Cakes sold by Alpha Delta Pi, ice cream by Gamma Beta Pi, doughnuts and cider by Zeta Tau Alpha, sandwiches by Pi Beta Phi, candy by Sigma Kappa, "hot dogs" by Delta Zeta, popcorn and peanuts by Chi Omega, and salad by Phi Sigma, insured those present against hunger, while Phi Mu with its grab-bag stall furnished the thrill of chance.

Dancing with music furnished by a negro jazz band was the most popular amusement of the evening.

## RIFLEMEN TO HOLD TURKEY DAY SHOOT

G. W. Rifle Team Revives Event Formerly Staged Annually By District Men

A turkey shoot, open to all comers, under the auspices of the George Washington University rifle team, will be one of the novel sporting events of Thanksgiving Day. Turkeys, big and tender, will be the prizes. The shoot will take place on the Camp Simms National Guard Congress Heights range.

This event was formerly staged annually by the District riflemen, but for several years has suffered a lapse. The revival was suggested by Gerald R. Trimble, captain of the rifle team.

Every shooter of the District and vicinity will be eligible to participate. It is expected that militiamen, civilians, Georgetown and Maryland as well as George Washington men will be out in force.

To prevent the affair from becoming unmanageable it has been found necessary to limit the entrants to 60, and, of course, the first to enter will be given preference. Registration may be made with Trimble at 1501 Sixteenth Street. The entrance fee of \$1 will go to buy the turkeys.

## ATHLETIC BUDGET FIXED BY COUNCIL

Football Heads List With Allowance of \$7,000; Other Estimates Approved

### ALL SPORTS ARE INCLUDED

Assistant Managers Approved For Swimming, Girls' Basketball And Baseball

Apportionment of the athletic budget among the various athletic organizations of the University was the principal business transacted at the meeting of the Athletic Council last Wednesday night at the Medical School. Estimates submitted by the various athletic groups exceeded by several thousand dollars the appropriation of \$13,675 allowed to the Athletic Council from the student activities funds and a budget committee was therefore appointed at the previous meeting of the Council to adjust these figures.

According to tentative figures accepted by the Council football will receive \$7,000 for the season. Appropriations were also approved in the amount of \$1,800 for men's basketball and \$940 for women's basketball. The track squad will be allowed \$850, men's and women's swimming teams will receive \$500 each. For rifle teams the men's squad was allowed \$700, with \$375 for the women's team. The men get an allowance of \$800 for tennis, while the women have \$350. Hockey gets only \$25.

It will be noted from these figures that every athletic team in George Washington has a budget much larger than that of former years and naturally more equipment and better facilities can be provided.

Estimates were approved in favor of baseball for \$1,118, and for men's and women's fencing in the amount of \$564 and \$300, respectively, but the Council will be unable to appropriate these funds until after the first of January. The budget as already approved exhausts the allowance for the Athletic Council.

The Council is planning on a refund from football, but if there is not a sufficient refund to meet additional athletic expenditures for baseball and fencing, Dr. Borden, chairman of the Athletic Council, will employ other means of raising sufficient funds. According to his present plans a football hop and an indoor class meet will be included in the events staged to swell the fund.

Albert Lyman, manager of men's swimming, also submitted a request for an appropriation of \$315 in addition to the budget of \$500. This extra money is needed to defray expenses of the team for trips to Bethlehem, Pennsylvania; New York City, and two trips to Baltimore to participate in swimming meets. Action on this appropriation will also be deferred until after the first of January.

Applications of Samuel Tabb for Assistant Manager of Swimming; Ella April, for Assistant Manager of Girls' Basketball, and Stanley Clark for Assistant Manager of Men's Baseball, were approved by the Council and submitted to the Athletic Committee for final action.

TUESDAY, NOV. 18

## ANTHROPOLOGY LECTURES BEING GIVEN AT MUSEUM

Dr. Ales Hrdlicka, prominent anthropologist of the National Museum, is giving two series of weekly lectures on Monday and Friday at 4:45 o'clock, on the subjects of "Man's Origin" and "Man's Physical and Physiological Characteristics." These courses of lectures on anthropology are being given in Rooms 42-43, U. S. National Museum.

The object of the lectures is to present in an unbiased way the now existing facts relating to man's origin, antiquity, spread over the earth, differentiation into races and formation of the existing human groups. It is also being given to aid medical and dental students and graduates, as well as others, in the study of man's physical and physiological characteristics, their distribution and variation and their tendencies.

The first course will be attended by demonstrations of rare or unique casts and specimens from the rich collections of the National Museum, while the second will be supplemented with practical instruction in anthropometry.

These courses are being given free of charge, but a regular enrollment is a requisite.

## SPEAKERS TO ADDRESS LARGE MASS MEETING

"Pep" Rally Next Wednesday Night To Develop Rooters For Turkey Day Game

The largest mass meeting of the season will be held next Wednesday night, November 26, at 8 o'clock, in Corcoran Hall to organize a cheering section which will attend the Catholic University game on Thanksgiving. This meeting is being held under the supervision of the Men's G. W. Club, the Women's G. W. Club and the Pyramid Honor Society, active direction of which has been delegated to a committee composed of H. Clay Espey as chairman, H. A. Tolson, president of the Men's G. W. Club, and Daisy Robison, president of the Women's Letter Club.

Heading the list of those who will speak at the "Pep" rally is President Lewis. Others who will also speak include Coach Crum, Capt. Guy Hottel, and leading football stars. "Pep" Balter will then take charge of the meeting and will practice the G. W. yells and songs.

The Thanksgiving game with Catholic University will be played at the new Catholic University stadium, according to final arrangements as announced by officials of the two schools. The game was originally scheduled to be played on the Brooklanders' field, but some have entertained the hope that the contest might be played at Central High School stadium.

The necessity for accommodating a large crowd was the greatest factor in support of having the game played at Catholic University. Besides being the only college football game in the District on Thanksgiving Day, the unusual interest in earlier home games has led officials to anticipate the largest crowd of George Washington students ever to witness a varsity football contest.

Student Activities Coupons will be accepted as admission to the Turkey Day game, according to an announcement approved by Coach Crum. This will be an added inducement to attend.

### GIVE DINNER FOR DEAN

On Tuesday evening, November 11, the members of the instructing staff of the Department of Romance Languages, gave a dinner in honor of Professor George Neely Henning, Dean of the School of Graduate Studies and head of the Department of Romance Languages. Professor Henry Gratton Doyle acted as toastmaster.

All the members of the staff of the department, with the exception of Prof. J. de Siqueira Coutinho, who had another engagement, were present as follows: Assistant Professor Cecil K. Jones, Messrs. Edward Cullom, Merle I. Protzman, Angel C. Vasquez, Charles F. Kramer, Alan T. Deibert, André M. G. Benéteau, Burton H. Lamore, Ralph B. Foster, James C. Corliss and Hector Lazo.

### ASSOCIATION MEETS HERE

The Association of Colleges and Preparatory Schools of the Middle States and Maryland will hold its annual meeting in Washington on the Friday and Saturday following Thanksgiving. Dean William Allen Wilbur will be the official representative of George Washington University at the meeting. A number of the conferences are to be held at the University.
